UNITED STATES GOVERNMENT

# Memorandum

TO : Chief, FBIS

DATE: 4 February 1964

FROM : Chief, Hokkaido Bureau

SUBJECT: Monthly Progress Report - January 1964

## I. OPERATIONS

### A. Monitorial

- a. The bureau's weekly coverage decreased 24 hours and 10 minutes during January, primarily owing to the deletion from coverage of three unmonitorable seasonal stations-- Dudinka, Khanty-Mansiysk, and Tura.
- b. At the request of Headquarters, a reception check was made on all Priority 1 and 2 programs now covered by Mediterranean Bureau. Alma-Ata, Batumi, Guryev, and Tbilisi were audible but their reception was generally poor. Reception of Peking's International Service in Arabic, Persian, and Turkish was good.
- c. Training materials, including recordings and sample processed items, were sent to Okinawa Bureau for the initial instruction of Russian Monitor trainees [redacted] prior to their entry on duty at Hokkaido Bureau. 50X1

### B. Editorial

- a. Abstract and wirefile wordage totaled 163,180; the number of economic abstracts was 1,001.
- b. Teletype outage totaled 2 hours and 45 minutes because of line trouble.

## II. ADMINISTRATION

### A. Personnel

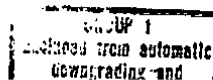

- a. Russian Monitor trainee [redacted] arrived at Okinawa Bureau 31 January for orientation and training before transfer to Hokkaido. Russian Monitor trainee [redacted] is now obtaining the necessary documents for similar training and transfer. 50X1
